Beavercreek Youth Softball is a recreational COED program for boys and girls Pre K through 12th grade. The main criterion for league placement is the player's grade in the current 2023-2024 school year. In some situations, age may also be considered. All games are played at Rotary Park in Beavercreek, Monday through Friday, with first games of night starting at 6:10 PM. **No weekend games. Beginners and Kindergartners play wiffleball and all others play softball. This is our 41st year.**
