

2024 BYSA CO-ED High School Leagues Majors (9/10th) and Seniors (11/12th)

To play, you must complete individual registration form and pay the fee. Note: When completing the form use your current grade—Not the coming school year. May/June 2023 and prior year graduates are ineligible.

- High School games will start week of June 3 and conclude by August 2, weather permitting.
- Cost is \$75 per person. If registering after May 15, the cost is \$80 per person.
- 9th and 10th graders may play up in the Senior League. 11th and 12th graders **cannot** play down in the Major League.
- Players, parents, and coaches must follow the BYSA Code of Conduct found at www.bevercreeksoftball.com.
- Forming your own team is highly encouraged—see Team Registration information below.**
- If you are registering as an individual, BYSA will assign you to a team.

Team Registration Information:

BYSA recommends at least 13 players and no more than 18 players per team with at least 5 girls per team. Once the team is decided, designate a team captain to gather the registration forms and payments. Players forming teams must have a coach who is 21 years or older. Team captain submits the list of players on the team, along with the coach's name, phone number, and email address, plus all individual registration forms and payment for every player to the BYSA address shown below. **DEADLINE: May 15.**

- Players registering as individuals may be added to your team by BYSA League Commissioners to complete a team.
- Teams may provide their own team sponsor as long as a sponsor form and payment are provided. See BYSA website for help.
- The Coach or a parent must be available at all times during games to ensure the BYSA Code of Conduct is being followed.

Individual Player Registration Form: If you've arranged to be on a specific team, please provide the individual player registration form and payment to your team captain. If not, then please mail the completed registration form and payment NLT May 15 to:

**BYSA
P.O. BOX 340216
Beavercreek, Ohio 45434**
