Beavercreek Youth Softball, now in its 43rd year, is a recreational COED program for boys and girls Pre-K through 12th grade. **Beginners and Kindergartners play wiffleball and all others play softball.** The main criterion for league placement is the player’s grade in the current 2025-2026 school year. In some situations, age may also be considered. All games are played at Rotary Park in Beaver Creek, Monday through Friday, with first games of night starting at 6:00 PM. **No weekend games.**
